Providing information as aid through radio programs with Naf Radio, for example about restoring family links, safe migration, disability and livelihood support

Media field visits and briefings for local and international journalists

Regular meetings with community leaders to listen to their needs, concerns and recommendations to help strengthen resilience and improve their lives

## PARTNERSHIP WITH BDRCS

The BDRCS is the ICRC's main partner and both organizations are part of the International Red Cross and Red Crescent Movement. The ICRC continues to strengthen the emergency-response capacity of the BDRCS through assistance and training, and enhancing the volunteers' understanding of security, safer access and first aid
