**2293**

Eye test

**1042**

Reading glasses

**396**

Surgeries

**170**

Nurses trained

## FORENSIC

People trained  46  58

When people die during war, disaster or migration, their bodies must be handled respectfully and with dignity. The remains of individuals must be found, recovered and identified. Humanitarian work has come to include these tasks, and forensic science offers the necessary tools and expertise.

## RESTORING FAMILY LINKS

Cases  141  9

Disasters, be it natural or man-made separate families. The ICRC and National Societies (PMI and Timor-Leste's Red Cross/CVTL), exchange messages, reunite families and clarify the fate of missing persons.

## PARTNERSHIP

 541  67

Together with the Indonesian and Timor-Leste National **Police**, the ICRC provides international policing standard training for police officers.

 3230  29

The ICRC and the Indonesian and Timor-Leste National **Armed Forces** work together to organize International Humanitarian Law training for military officers.

Lecturers  160  
Students  215

**Religious communities** and organizations play a vital role in providing assistance during humanitarian emergencies. The ICRC engages with religious communities of all faiths, finding common ways to alleviate the suffering of people affected by conflict, violence and disasters. In Indonesia, the ICRC works on IHL and Islam program as well as cooperates with different religious organizations.

Universities  72  3  
Lectures  108  20  
Students  1329  200

The ICRC supports and disseminates the teaching of International Humanitarian Law and principles for lecturers and university students.

Journalists  56

The ICRC introduces International Humanitarian Law and Principles as well as reporting in conflict situation to journalists.

## HUMANITARIAN DIPLOMACY

On 5 September 2018 in partnership with the Indonesian Ministry of Foreign Affairs, the ICRC organized a regional conference on contemporary warfare in Jakarta that was attended by close to 150 experts who examined trends in modern-day conflicts and the threats posed by new weapons and technologies.

From 8 to 9 March 2018, over 120 participants from 18 countries gathered in Jakarta, Indonesia for the Regional Conference on Humanitarian Action and Negotiation in Asia organized in conjunction with the Centre of Competence on Humanitarian Negotiation (CCHN), Humanitarian Forum Indonesia (HFI) and Paramadina University.
